

Request for Conversion

Empire Trade USA Inc
EIN 98-0544113

(Please complete, sign and forward to Empire Trade USA Suite 102 500 South Palm Canyon, Palm Springs CA 92262)

Date:

I/we request you to convert..... of my/our Trade dollars as opening deposit into a new Empire Trade account. I/we agree that spend-down of these trade dollars will incur a 6% (plus tax) cash fee on Real Estate, or 5% (plus tax) on goods and services. I/we further agree and acknowledge that you may from time to time place reasonable restrictions on the use of this account to prevent loss of confidence in the exchange. Converted dollars may be used for real estate transactions or goods and services purchases.

I/we agree to pay a cash fee of 30% (plus tax) on conversion and understand that until this fee has been paid, the conversion will not proceed. In the event of the converted trade dollars being declined on presentation by Empire Trade, then Empire Trade may freeze the new account until the funds have cleared (this provision will only apply where the dollars being converted are from a trade exchange which is still operational). I/we understand that all applicable fees include sales tax at the current rate.

I/we agree and undertake to keep and maintain the terms of this request and the matter of the conversion absolutely confidential except as requested by law or for the purposes of legal and accounting advice.

The arrangement will constitute a legally binding arrangement when you endorse your acceptance on this letter and it is received at the offices of Empire Trade USA Inc and not otherwise.
