

APPLICATION

To apply for a sponsorship through E Banc Trade you must provide E Banc Trade with a written proposal. Include a description of your, or your club's, activities and outline how you can support E Banc Trade in return for sponsorship funding. You can also apply for sponsorship online by visiting the E Banc Trade website, www.ebanctrade.com, and completing the online application form. When applying online, you must follow up with a written proposal after initial approval is received. Where a club is applying, the committee Chairman (or President) and the Treasurer must sign as the authority acting on behalf of the club or organisation.

To obtain final approval, the following will need to be provided to E Banc Trade:

When a club has no ABN:

- a written proposal
- a completed Sponsorship Application Form
- two authorised signatures for the sponsorship account
- an invoice for the sponsorship amount
- a Statement by Supplier Form (Hobby Form)
- A cheque for the amount of \$214.50

If all the above is not provided, the sponsorship cannot proceed.

When a club has an ABN but is not GST registered:

When a club is GST registered:

- a professionally written proposal. This proposal must be signed by both E Banc Trade and the sporting club's officials.
- a completed Sponsorship Application Form
- two authorised signatures for the sponsorship account
- a **TAX INVOICE** for the sponsorship amount. All E Banc Trade sponsorships are **GST inclusive** and the Tax Invoice must state this. GST inclusive means that the sporting organisation is responsible to the ATO for the GST component in Australian dollars.
- a cheque for the amount of \$214.50

***If all the above is not provided
the sponsorship cannot proceed***

APPLICABLE FEES

All sporting and promotional sponsorships pay a membership application fee to E Banc Trade of **\$214.50**.

A transaction fee of up to 4.95% may apply to the trade dollar portion of the purchase of goods and services when spending E Banc Trade dollars. A 5.5% cash transaction fee will apply to real estate and contractual purchases. Youth and some not-for-profit sponsorships may be fee free by negotiation.

Sponsorships can be considered trading members of E Banc Trade. This means that they can sell product or services through the E Banc Trade membership base. This will not be available to any fee free accounts. When a sponsorship elects to join as an E Rewards member, they pay a once-only membership fee to E Banc Trade of \$214.50, and a cash transaction fee of 4.95% on the purchase of goods and services. The Sponsorship member can then benefit from the reward bonuses that are paid as part of the E Rewards programme.

SPONSORSHIPS EXPLAINED

Trading alternatives for business for lifestyle for you

OUR STORY

E Banc Trade is a community and membership based organisation that facilitates the exchange of goods and services among its members on a part cash, part trade basis. The company has been well established for a number of years, and has offices throughout Australia and also in several overseas countries. Our rapid membership growth is largely due to our ability to provide an exceptional trading facility which has been formulated following considerable research into the needs of trade exchange members.

The E Banc Trade system utilises a part cash, part trade concept, which is recognised by many as one of the best and most user friendly in the world. Our structure, systems and operating procedures comply with the requirements of the relevant Australian regulatory bodies.

OUR COMMITMENT

E Banc Trade believes that success can be measured by how much you give freely and that our business prosperity parallels that of our community.

This means that unless our community is financially healthy and prosperous, our business will not succeed. In keeping with these beliefs, we are committed to supporting community-based programs, organisations, charities, clubs, sports people and other non-profit community groups.

We also focus our support on humanitarian organisations and issues, both domestically and abroad, and are keen to assist programmes that contribute to making this a better world for all people to enjoy.

For more information on not-for-profit sponsorships, please visit the E Foundation website, www.efoundation.cc, or email info@efoundation.cc.

SPONSORSHIPS

We are very proud of our company and look forward to continued and rapid growth. Our philosophy of providing an efficient, fair and equitable trading facility is reflected in our willingness to assist community and sporting organisations. Through our considerable network of members, those organisations granted sponsorships are able to procure almost any conceivable product ranging from everyday simple requirements through to major expense items such as building improvements.

All of our sponsorships are made available in E Banc Trade Dollars. (It should be particularly noted that the Australian Taxation Office has ruled that Trade Dollar sponsorships may attract GST and if applicable will be payable by the sponsorship recipient to the ATO in Australian dollars.)

Our sponsorship members enjoy the benefit of access to the goods and services of E Banc Trade members who offer a part cash, part trade component on purchases. The percentage varies according to the individual member's business policies. Our rapidly expanding membership base ensures extensive availability of services or products required, and those sponsored soon realise that a wonderful world has been opened to them.

CONDITIONS

All E Banc Trade sponsorships are established for an initial period of twelve months, with an option to extend the sponsorship term. To ensure continued sponsorship with E Banc Trade a club must demonstrate suitable exposure to the E Banc Trade name and brand as per the sponsorship proposal and agreement.

E Banc Trade monitors the spend down of sponsorship funds, and for clubs and individual athletes to receive further sponsorship funding from E Banc Trade, they must spend the sponsorship dollars in a responsible manner as per the terms of their agreement, and the Operating Rules and Regulations of the company.

Any proposal for sponsorship will need to include a provision for suitable advertising exposure for E Banc Trade. This is the club or individual's responsibility and official artwork for E Banc logos and banners will be supplied on request. Please note that E Banc Trade will not supply signs for your home grounds as that is the responsibility of the sponsored club. However E Banc Trade will always assist where possible and can make temporary signage available on occasion.

TRADING ETIQUETTE

To enjoy the full benefits of our system, it is important to apply a little research into the wide range of goods and services available. This can be done by perusing the hardcopy directory supplied with your membership kit, or checking the online directory on our website on www.ebanctrade.com. It is then simply a matter of contacting the selected member to purchase the goods or services required. Always identify yourself as an E Banc Trade member before making any transaction. Remember that any funds that we may grant to you are to be used for sponsorship related expenditure only. Any expenditure outside the guidelines of our agreement will not be viewed favourably and may result in a full review of our arrangement, unless prior agreement is received.

It is important to remember that each of our members is in business in their own right. We do not wish to see any undue pressure brought to bear on any of our members, such as unreasonable demands in relation to the trade content of goods or services, or related to the delivery of such goods or services. Any such action would constitute a breach of the terms and conditions of the sponsorship and the account will be reviewed accordingly.

Once again, it is an easy matter to locate a member business that can provide required goods or services and E Banc Trade Customer Support staff are available to assist when necessary.

Anyone interested in applying for an E Banc Trade sponsorship should contact Head Office on 07 5437 7220, or any of the E Banc Trade licensed offices around Australia and overseas. Contact details are available from our website, or by calling Head Office. We look forward to welcoming new clubs, associations and sporting bodies to the fascinating world of services available through E Banc Trade.
