Information provided by members may be used for the administrative purposes of the company and for the provision of membership services. SPONSORSHIP FUNDING GUIDELINES

E Banc Trade has been well established internationally for a number of years, and currently has offices throughout Southern England. Our rapid membership growth is largely due to our ability to provide an exceptional trading facility which has been formulated following considerable research into the needs of trade exchange members.

The E Banc Trade system utilises a part cash, part trade concept, which is recognised by many as one of the best and most user friendly in the world. Our structure, systems and operating procedures comply with regulatory requirements.

Organisations and individuals who receive approval for sponsorship funding must complete a Membership Application form. A membership fee of up to £195 plus VAT may apply, and E Banc Trade may also charge a cash transaction fee of up to 4.5% (+ VAT) of trade funds spent. All of our funding offers are made available in Trade Pounds. It should be particularly noted that sponsorships may attract VAT and if applicable will be payable by the funding recipient.

We are very proud of our company and look forward to continued growth. Our philosophy of providing an efficient, fair and equitable trading facility is reflected in our willingness to assist community and sporting organisations. Through our considerable network of members those organisations granted sponsorships are able to procure almost any conceivable product ranging from everyday simple requirements through to major expense items such as building improvements.

E Banc Trade members enjoy the benefit of access to the goods and services of other E Banc Trade members on a part cash part trade pound basis. This of course varies according to the individual member's business policies. Our rapidly expanding membership base ensures extensive availability of services or products required, and those sponsored soon realise that a wonderful world has been opened to them.

To enjoy the full benefits of our system, it is important to apply a little research into the wide range of goods and services available. This can be done by perusing the hard cover directory supplied with your membership kit, or checking out our website on **www.ebanctrade.com**. It is then simply a matter of contacting the member that you choose to supply the goods or services required. Remember that any funds that we may grant to you are to be used for sponsorship related expenditure only. Any expenditure outside the guidelines of our agreement will not be viewed favourably and may result in a full review of our arrangement.

It is also important to take into account that each of our members are in business in their own right. As a recipient of sponsorship funds, you must abide by the Rules and Regulations governing E Banc Trade membership and should not make unreasonable demands in relation to the trade component of articles or services, or related to the delivery of such articles or services. Any such action would constitute a breach of the terms and conditions of your sponsorship and your account will be reviewed accordingly.

Your organisation may be requested to submit a proposal, along with this application form, outlining advertising exposure offered in return for E Banc Trade sponsorship. Providing advertising banners, and other promotional materials is your responsibility and official E Banc Trade logos will be supplied on request. Sponsored organisations who do not honour their advertising and promotional arrangements may have their sponsorship cancelled, and funding withdrawn.

The sponsorship term is initially for a 12 month period, however an extension may be negotiated. Sponsorship funding may be provided in incremental amounts, depending on successful spend down or previous funding. E Banc Trade is happy to assist if you are having difficulty spending your trade funds, however it is the responsibility of the sponsored organisation to do the necessary research to locate trading members with whom they can transact.

We wish you well in your endeavours and extend a warm invitation to the fascinating world of services available through E Banc Trade.
