SPONSORSHIP GUIDELINES

E Banc Trade has been well established for a number of years, and has offices throughout Australia and also in several overseas countries. Our rapid membership growth is largely due to our ability to provide an exceptional trading facility which has been formulated following considerable research into the needs of trade exchange members.

The E Banc Trade system utilises a part cash, part trade concept, which is recognised by many as one of the best and most user friendly in the world. Our structure, systems and operating procedures comply with the requirements of Australian Government Authorities, including the Australian Taxation Office, The Australian Securities and Investments Commission, and the Australian Prudential Regulatory Authority.

All of our sponsorships are made available in Trade Dollars. It should be particularly noted that the Australian Taxation Office has ruled that Trade Dollar sponsorships may attract GST and if applicable will be payable by the sponsorship recipient to the ATO in Australian dollars.

We are very proud of our Corporation and look forward to continued growth. Our philosophy of providing an efficient, fair and equitable trading facility is reflected in our willingness to assist community and sporting organisations. Through our considerable network of members those organisations granted sponsorships are able to procure almost any conceivable product ranging from everyday simple requirements through to major expense items such as building improvements.

The sponsored organisation automatically becomes an E Banc Trade member and a nominal joining fee may apply. Our members enjoy the benefit of access to the goods and services of other E Banc Trade members, quite a number of whom operate on a 50% Cash, 50% Trade basis for goods and services offered. This of course varies according to the individual member's business policies. Our rapidly expanding membership base ensures extensive availability of services or products required, and those sponsored soon realise that a wonderful world has been opened to them.

To enjoy the full benefits of our system, it is important to apply a little research into the wide range of goods and services available. This can be done by perusing the hard cover directory supplied with your membership kit, or checking out our website on **www.ebanctrade.com**. It is then simply a matter of contacting the member that you choose to supply the goods or services required. Remember that any funds that we may grant to you are to be used for sponsorship related expenditure only. Any expenditure outside the guidelines of our agreement will not be viewed favourably and may result in a full review of our arrangement.

It is also important to take into account that each of our members are in business in their own right. We do not wish to see any undue pressure brought to bear on any of our members in the purchase of goods and services, such as unreasonable demands in relation to the trade content of articles or services, or related to the delivery of such articles or services. Any such action would constitute a breach of the terms and conditions of your sponsorship and your account will be reviewed accordingly.

Your proposal for sponsorship will need to include a provision for suitable advertising exposure for E Banc Trade. This is your responsibility and official E Banc logos will be supplied on request. Once again, it is an easy matter to locate a member who will attend to your requirements. We are available for assistance should you experience any difficulties.

We wish you well in your endeavours and extend a warm invitation to the fascinating world of services available through E Banc Trade.
