# SPONSORSHIPS EXPLAINED

Trading alternatives for business for lifestyle for you

## OUR STORY

E Planet Trade is a community and membership based organisation that facilitates the exchange of goods and services among its members on a part cash, part trade basis. The company has been well established for a number of years, and has offices throughout Australia, in Malaysia, and also in several overseas countries. Our rapid membership growth is largely due to our ability to provide an exceptional trading facility which has been formulated following considerable research into the needs of trade exchange members.

The E Planet Trade system utilises a part cash, part trade concept, which is recognised by many as one of the best and most user friendly in the world. Our structure, systems and operating procedures comply with government requirements.

## OUR COMMITMENT

E Planet Trade believes that success can be measured by how much you give freely and that our business prosperity parallels that of our community.

This means that unless our community is financially healthy and prosperous, our business will not succeed. In keeping with these beliefs, we are committed to supporting community-based programs, organisations, charities, clubs, sports people and other non-profit community groups.

We also focus our support on humanitarian organisations and issues, both domestically and abroad, and are keen to assist programmes that contribute to making this a better world for all people to enjoy.

For more information on not-for-profit sponsorships, please visit the E Foundation website, [www.efoundation.cc](http://www.efoundation.cc), or email [info@efoundation.cc](mailto:info@efoundation.cc).

## SPONSORSHIPS

We are very proud of our company and look forward to continued and rapid growth. Our philosophy of providing an efficient, fair and equitable trading facility is reflected in our willingness to assist community and sporting organisations. Through our considerable network of members, those organisations granted sponsorships are able to procure almost any conceivable product ranging from everyday simple requirements through to major expense items such as building improvements.

All of our sponsorships are made available in E Planet Trade Ringgit.

Our sponsorship members enjoy the benefit of access to the goods and services of E Planet Trade members who offer a part cash, part trade component on purchases. The percentage varies according to the individual member's business policies. Our rapidly expanding membership base ensures extensive availability of services or products required, and those sponsored soon realise that a wonderful world has been opened to them.

## CONDITIONS

All E Planet Trade sponsorships are established for an initial period of twelve months, with an option to extend the sponsorship term. To ensure continued sponsorship with E Planet Trade a club must demonstrate suitable exposure to the E Planet Trade name and brand as per the sponsorship proposal and agreement.

E Planet Trade monitors the spend down of sponsorship funds, and for clubs and individual athletes to receive further sponsorship funding from E Planet Trade, they must spend the sponsorship ringgits in a responsible manner as per the terms of their agreement, and the Operating Rules and Regulations of the company.

Any proposal for sponsorship will need to include a provision for suitable advertising exposure for E Planet Trade. This is the club or individual's responsibility and official artwork for E Planet Trade logos and banners will be supplied on request. Please note that E Planet Trade will not supply signs for your home grounds as that is the responsibility of the sponsored club. However E Planet Trade will always assist where possible and can make temporary signage available on occasion.

## TRADING ETIQUETTE

To enjoy the full benefits of our system, it is important to apply a little research into the wide range of goods and services available. This can be done by perusing the hardcopy directory supplied with your membership kit, or checking the online directory on our website on [www.ebanctrade.com](http://www.ebanctrade.com). It is then simply a matter of contacting the selected member to purchase the goods or services required. Always identify yourself as an E Planet Trade member before making any transaction. Remember that any funds that we may grant to you are to be used for sponsorship related expenditure only. Any expenditure outside the guidelines of our agreement will not be viewed favourably and may result in a full review of our arrangement, unless prior agreement is received.

It is important to remember that each of our members is in business in their own right. We do not wish to see any undue pressure brought to bear on any of our members, such as unreasonable demands in relation to the trade content of goods or services, or related to the delivery of such goods or services. Any such action would constitute a breach of the terms and conditions of the sponsorship and the account will be reviewed accordingly.

Once again, it is an easy matter to locate a member business that can provide required goods or services and E Planet Trade Customer Support staff are available to assist when necessary.

Anyone interested in applying for an E Planet Trade sponsorship should contact Head Office on 2144 2133, or any of the E Planet Trade licensed offices. Contact details are available from our website, or by calling Head Office. We look forward to welcoming new clubs, associations and sporting bodies to the fascinating world of services available through E Planet Trade.
