SPONSORSHIP FUNDING GUIDELINES

The Exchange has been well established for a number of years, and has offices throughout Australia and in several countries. Our rapid membership growth is largely due to our ability to provide an exceptional trading facility which has been formulated following considerable research into the needs of trade exchange members.

Our philosophy of providing an efficient, fair and equitable trading facility is reflected in our desire and willingness to assist community based programs, organisations, charities, clubs, young sports people, educational programmes and other non profit community groups. We have made available Trade Credit Sponsorship support and will continue to provide assistance to many other worthy individuals and organisation in the future.

The Trade system utilises a part cash, part trade concept, which is recognised by many as one of the best and most user friendly in the world

Organisations and individuals who receive approval for sponsorship funding must complete a Membership Application form. A membership fee of up to \$330.00 may apply, and the exchange also charges a cash transaction fee of up to 4.95% of trade funds spent. All of our funding offers are made available in Trade Dollars. It should be particularly noted that the Australian Taxation Office has ruled that Trade Dollar sponsorships may attract GST and if applicable will be payable by the funding recipient to the ATO in Australian dollars.

We are very proud of our company and look forward to continued growth. Our philosophy of providing an efficient, fair and equitable trading facility is reflected in our willingness to assist community and sporting organisations. Through our considerable network of members those organisations granted sponsorships are able to procure almost any conceivable product ranging from everyday simple requirements through to major expense items such as building improvements.

Trade members enjoy the benefit of access to the goods and services of other Trade members on a part cash part trade dollar basis. This of course varies according to the individual member's business policies. Our rapidly expanding membership base ensures extensive availability of services or products required, and those sponsored soon realise that a wonderful world has been opened to them.

To enjoy the full benefits of our system, it is important for sponsorship recipients to apply a little research into the wide range of goods and services available. This can be done by perusing the hard copy directory supplied with new membership kits, or checking out member businesses online via the corporate website. It is then simply a matter of contacting the member that you choose to supply the goods or services required. It is important to note that sponsorship funds are to be used for sponsorship related expenditure only. Any expenditure outside the guidelines of the sponsorship agreement will not be viewed favourably and may result in a full review of the sponsorship arrangement.

It is also important to take into account that each of our members are in business in their own right. As a recipient of sponsorship funds, all sponsored members must abide by the E Banc Trade International Barter Exchange Trading Rules and National Trading Rules of each country which govern the Exchange membership. Also, you should not make unreasonable demands in relation to the trade component of articles or services, or related to the delivery of such articles or services. Any such action would constitute a breach of the terms and conditions of the sponsorship agreement and the relevant account will be reviewed accordingly.

Sponsored organsations may be requested to submit a proposal, along with this application form, outlining advertising exposure offered in return for Trade sponsorship. Providing advertising banners and other promotional materials will be the sponsorship's responsibility and official Exchange logo artwork is available on request. Sponsored organisations who do not honour their advertising and promotional arrangements may have their sponsorship cancelled, and funding withdrawn.

The sponsorship term is initially for a 12 month period however an extension may be negotiated. Sponsorship funding may be provided in incremental amounts, depending on successful spend down of previous funding. Our Member Support team is happy to assist if you are having difficulty spending your trade funds however it is the responsibility of the sponsored organisation to do the necessary research to locate trading members with whom they can transact.

We wish you well in your endeavours and extend a warm invitation to the fascinating world of services available through our barter Exchange.
