Staff Trade Accounts

Staff Trade accounts can only be established for the deposit of wages and can only be opened when an employee is receiving Trade as part of their wage; otherwise a 6-month waiting period applies. To open a Staff Trade Account you must accompany this form with a completed Membership application form to Head Office. Staff Trade Accounts can't be opened without a completed Membership application form. Should the holder of a staff account wish to receive trade credits from any other source, a separate account is required to be opened, the membership joining fee paid, and the relevant transaction fee on the purchase of goods and services, and on real estate or contractual purchases, will apply.
